¹ USAHS' Enrollment Advisors are employees whose primary role is to assist students in enrolling in the university.

² Doctoral costs represent the minimum number of credit hours required and do not include extra time (if needed) in the dissertation/doctoral study process.

³ The program cost represents tuition, fees, and books only, and does not reflect any scholarship or tuition reductions. It does not include housing or living expenses.

GRADUATION

Massachusetts law defines ‘Graduation Rate’ as the number of students who received certificates or degrees in their program during the last two calendar years, divided by the number of students who enrolled in the same program during the latest two calendar years. Please note that this ‘Graduation Rate’ calculation also includes students who are enrolled but currently are not able to graduate because they have not yet completed their program requirements. The following chart represents the Graduation Rate for 2023 and 2022 Massachusetts students enrolling in programs at USAHS as defined by Massachusetts law:

Number of Graduates & Enrollments Used to Calculate ‘Graduation Rate’ as Defined by MA 940 CMR 31.03

YOUR LOAN DEBT

You must repay the money you borrow as student loans to pay for this program, including interest. You must repay any portion of the money you borrow to pay for this program, even if you fail to complete or dropout of the program. Failure to repay student loans is likely to have a serious negative effect on your credit, future earnings, and your ability to obtain future student loans. Please note that there may be certain repayment programs available that could result in a reduction or forgiveness of a portion of your loan debt, such as the Income

Driven Plans (see <https://studentaid.gov/> for more information). If you have questions, please contact USAHS' Financial Aid Office at 1-800-241-1027.

LOAN NONPAYMENT STATISTICS

USAHS' 3-year federal Cohort Default Rate (number of students who have defaulted on, or failed to repay, their loans) is 0% for the 2019-2020 cohort. Massachusetts regulations require USAHS to provide prospective students with a separate 'Loan Nonpayment Statistic,' which is the sum of the Cohort Default Rate and students who are in deferral and forbearance. Therefore, using the Massachusetts calculation, USAHS's "Loan Nonpayment Statistic" for Massachusetts residents for 2019-2020 is also 0%. Please note that this 'failed to repay' calculation includes students who may not currently be required to repay their loans, such as those who are in deferral and forbearance. This means they are not in default per federal financial aid guidelines.

PLACEMENT RATES AND EMPLOYMENT STATISTICS

Massachusetts regulations require that a school that offers any occupational programs must disclose the graduation placement rate and employment statistics of graduates during the last two calendar years who obtained full time, non-temporary jobs in their field of study, and total placement rate of students that enrolled in the program during the last two calendar years who obtained full time, non-temporary jobs in their field of study. USAHS has not tracked and is not required by its accreditor, the WASC Senior College and University Commission, to track such rates.

EXAM COSTS

While USAHS does not require an exam to enter, continue with, or graduate from a program, in order to obtain certification or licensure upon graduation from some programs, graduates will need to pass the appropriate state professional licensing exam. To the best of our knowledge, the table below reflects the applicable exam costs in the state of Massachusetts as of July 7, 2024.

| Program | Applicable MA License | Applicable Exam | Exam Cost |
|---------------------------------------|-------------------------------|------------------------|------------------|
| Master of Occupational Therapy | Occupational Therapist | OTR Exam | \$595 |
| Doctor of Occupational Therapy | Occupational Therapist | OTR Exam | \$595 |
| Doctor of Physical Therapy | Physical Therapist | NPTE Exam | \$485 |
