

UNIVERSITY of  
ST. AUGUSTINE for  
HEALTH SCIENCES

# BECOME A DYNAMIC, SKILLED HEALTHCARE LEADER

Today's healthcare systems need healthcare administrators, healthcare leaders, and C-suite executives to guide integrated teams. In USAHS' Master of Health Administration (MHA), you can gain the management, financial, technological, operational, and people skills you need to lead your organization into the future.

## ✔ Why USAHS?

- Designed for working professionals
- Advanced simulation technologies prepare you to lead the health systems of tomorrow
- Case based learning in collaboration with interprofessional peers in patient-centered scenarios
- Certifications in partnership with HFMA
- Specializations in Executive Leadership, Business Intelligence, and Interprofessional Education

Educating health sciences leaders for more than 40 years.  
To learn more about our MHA program, scan the QR code on the back of this card.

## Want to learn more?
